Coral Reefs

Coral reefs are like colorful underwater cities where fish of all shapes and sizes swim among the beautiful coral structures.

The African Savannah

The African savannah is a vast grassy plain where animals like lions, giraffes, and zebras roam freely. It's a place filled with tall trees, golden grass, and exciting adventures in the wild.

The Australian Desert

The Australian desert is a hot and sandy place with unique creatures like kangaroos, koalas, and camels. It's a vast and wild land where animals have adapted to survive in the harsh desert environment.

Ponds

In a pond, you can discover tiny tadpoles swimming and growing into frogs, while colorful dragonflies zoom around in the air above. It's a busy place where animals bask in the warm sunlight.
